Allowable Subject Matter

Claims 1-20 and 34-39 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or suggest a capacitive pressure sensor according to the claims including a dielectric that is a vacuum.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
